**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I have been a happy customer of Sonic.net for over a dozen years. They provide a healthy and friendly alternative to the main 2 operators in my area: AT&T and Comcast. They are less expensive and provide wonderful customer service. I have fiber today but was previously connected with competitive DSL. I also have Sonic as my landline provider.

I would be most upset if I could not have them or if they had to raise their prices.

Sincerely,
Nina Meister
